

Dear T. J.

Enclosed find list  
as requested which I  
obtained at the club  
after your 'phone message.

I cannot vouch for  
a small percentage of the  
addresses.

Those names & addresses  
crossed out have no  
significance. There have  
been <sup>given</sup> to understand as it  
~~was~~ <sup>is</sup> an old copy which  
was in somebody's possession

~~who~~ who seems to have  
deleted them on some  
unknown basis

My allocation of stars  
I would like to be kept  
strictly entre nous.

Please excuse  
incoherence but it is  
long past the witching  
hour.

Jo. 176. S. as on 2. Obay

W. Shortis.

I have omitted  
those already  
an fait with events.
